If you have authorized the disclosure of your health information to someone who is not legally required to keep it confidential, it may no longer be protected by state or federal confidentiality laws.

This Authorization may be revoked at any time. The revocation must be in writing, signed by you or your patient representative, and delivered to the UBCP clinic you authorized to release your information. The revocation will take effect when the UBCP clinic receives it, except to the extent the UBCP clinic or others have already relied on it.

You are entitled to receive a copy of this Authorization.
